## CREDO WORLD SCHOOL DHANBAD

[www.cwsdhanbad.com](http://www.cwsdhanbad.com)

Credo Joy, the preschool division of Credo World School Dhanbad, is where children first experience our name, “Credo - I believe.” We want their earliest memory of school to be simple: “I am happy here, I feel safe here, I can grow here.”

### The Butterfly in Our Logo

The colourful butterfly inside the “O” of JOY is the heart of our identity. It captures how young children grow gently and naturally when they are loved, engaged and given space to explore.

**TRANSFORMATION:** Like a caterpillar becoming a butterfly, each child unfolds step by step - from settling in, to exploring, to expressing with confidence.

**Safe Wings:** The butterfly rests within the circle, symbolising a warm, secure environment created by caring adults and predictable routines.

**Colours of India:** Its bright colours echo the festivals, stories and everyday beauty of Indian life, keeping our roots proudly Indian while we prepare children for a global world.

**Balanced Growth:** The two wings hint at inner growth (feelings, values, relationships) and outer growth (language, numbers, movement, creativity), reflecting the holistic Credo philosophy.

**From Butterfly to Star:** In the main school, the Credo star represents complete development - academics, physical fitness, creativity, character and social-emotional strength. At Credo Joy, these same dimensions begin through play, stories, music, movement and gentle guidance so that the transition to Credo World School feels natural and confident.

**Our promise:** when children see themselves in that little butterfly - curious, colourful and ready to grow - they are already on their way to becoming the stars Credo believes they can be.

The best place for students to learn while having fun! The teachers do an incredible job, and now my child looks forward to school each day with excitement instead of tears. I couldn't be happier with the positive impact this school has had on my child!

- Parent of Avnya Jewlikar

We have been part of this group of teachers and coordinator since last three years and we have really enjoyed every year of our child developments.

- Parent of Ansh Nehal Pabrekar

The best preschool in New Panvel! The friendly and polite staff at Credo Joy create a welcoming environment for all. I really appreciate that every child is encouraged to participate in programs, and each one gets a chance to speak on the mic. This wonderful approach boosts kids' confidence.

Thank you, Team Credo Joy!
